**To all Residents and Business Owners**

**HURRICANE SEASON IS HERE!!!**

**Here are a few tips to prepare your property for any upcoming storms**

1. Secure all loose items. Leave no objects outside that can become a dangerous projectile in high winds.
2. No outside storage of any kind. (ROOFING TILES, WOOD PALLETS, BUILDING MATERIALS, UNSECURE STRUCTURES)
3. Check all tie-downs: mobile homes, RV, sheds, construction projects, shacks, temporary toilets, boats, etc..
4. Remove all trash, debris, brushes and branches from premises.
5. Prepare your hurricane shutters.
6. Store water, canned foods, batteries, enough for 7 days.
7. Take photos of your property, inside and out prior to the storm.
8. Carry important documents with you; including Insurance documents and IDs.
9. Fill your vehicles with gasoline. Gas Stations may not have power to pump gas.
10. Remember ATM machines will not work after losing power. Have cash available.
